Roger Wildi appointed new CEO of Profidata AG and Profidata Services AG

As of July 1, 2017, Roger Wildi is appointed CEO of Profidata AG, Profidata Services AG and their subsidiaries.

Christian Widmer, former CEO of Profidata AG and Profidata Services AG, who managed the company successfully for 32 years, will in future concentrate on his role as Group CEO and President of the Supervisory Board of Profidata Group. The group consists of Profidata AG, Profidata Services AG and its subsidiaries itechx GmbH, abraxas GmbH and Profidata XLab AG. In this function, Widmer will continue to actively steer the strategic development of the group companies in particular, the future projects of Profidata XLab AG.

Christian Widmer comments the appointment of the new CEO: 'Roger Wildi has been with the company for 20 years. His leadership experience combined with sound knowledge of the financial services sector and excellent strategic skills are ideal prerequisites to lead the company into the future and to ensure Profidata remains a reliable business partner for its clients.'

Wildi joined the company in 1997. He has been a member of the management board of Profidata AG and Profidata Services AG since 1999. Wildi's recent role as Manager Professional Services has been handed over to Martin Frolik who was appointed to the management board.
